## Foreword

The ***Asian Journal of Environment-Behaviour Studies*** (ajE-Bs) is an international and interdisciplinary Open Access Journal. It publicises online both conceptual and empirical research findings pertaining to the interrelationship between **human spatial behaviour and the environment (built and natural)** issues affecting Asian communities living in Asia and non-Asian countries. Related studies that involve other communities shall also be considered for publications.

Articles published are sourced from condensed and retitled, selected internationally double-blind, peer-reviewed full papers presented at serial international conferences held worldwide since 2010, namely, the *AcE-Bs* (Asian Conference on Environment-Behaviour Studies) held in Asian countries; *AicE-Bs* (Asia Pacific International Conference on Environment-Behaviour Studies) held in non-Asian countries; *AicQoL* (AMER International Conference on Quality of Life) held in ASEAN countries; and *AQoL* (ABRA International Conference on Quality of Life) held in non-ASEAN countries. There are no processing and publication fees for those successful articles to be published.

Those conferences are jointly organised by AMER (Association of Malaysian Environment-Behaviour Researchers); ABRA (Association of Behavioural Researchers on Asians); and the *cE-Bs* (Centre for Environment-Behaviour Studies), Faculty of Architecture, Planning & Surveying, Universiti Teknologi MARA, Malaysia. International institutions co-hosted the conferences.

Non-conference articles are also invited for possible publication in the journal. The online submissions with instructions via the web link below are opened throughout the year. Those shall first undergo similar internationally double-blind, peer-reviews. Only successfully selected articles shall be published.

Currently, the Editorial Board (Advisory/Reviewer) Members comprises of 69 academicians represented from 17 countries worldwide, namely, Australia, Bahrain, Cyprus, Egypt, Hong Kong, India, Indonesia, Iran, Japan, Malaysia, Nigeria, North Cyprus, Taiwan, Thailand, Turkey, U.K, and U.S.A.

The *ajE-Bs* shall be published online quarterly, and freely accessible at the web link below. All articles published are with the Doi and Crossmark Reference.
